

Prof. Kalpana Malpe
HOD,CSE
GNIET,Nagpur

Prof. Kalpana D Maple is Assistant Professor and HOD in CSE DEPT GNIET,Nagpur. She did her M.TECH. from Rashtra Saint Tukdoji Maharaj Nagpur University. She has worked with reputed organizations and has an overall teaching experience of more than 10 years. She is member of ISTE. She has published many research papers in International and National journals as well as in International and National conferences. She has attended several international, national conferences and many workshops .She has delivered guest lectures in reputed organizations .She has organized many Technical and Nontechnical events. Her area of interest involves Image Processing,Compiler Design,Designing of Algorithms,AI,etc She has been selected by RTMNU,Nagpur as a member of Board Of Studies,CSE/CT,Board, in the year 2015.She has been appointed as a Subject Expert in University Selection Committee and also appointed as a LEC Committee member in many organizations .

Prof. Nitin B. Raut
Asst. Prof.
CSE, GNIET, Nagpur

Prof. Nitin Raut is Assistant Professor in Computer Science and Engineering at GNIET. He pursued his M.Tech. from Amrita Vishwa Vidyapeetham Coimbatore. He has an overall teaching experience of more than 09 years. He has published many research papers in International Journals as well as National Journal. He has participated in several International and National conferences. His area of interest involves teaching subjects related to Computer Science, Research related to Image Processing in underground imaging. He is associated with various NGO's promoting education, free coaching as well as all kind of support for getting education to needy and poor students.

Prof Ayaz Ahmed Khan
Asst Professor , GNIET , Nagpur

Prof Ayaz A. Khan is Assistant Professor in Computer Science & Engineering Department at GNIET. He did his B.E from Rashtra Sant Tukdoji Maharaj Nagpur University, Nagpur. He has been awarded M-TECH from Rashtra Sant Tukdoji Maharaj Nagpur University. His research area is “Computer security”. He has worked with many reputed organizations and has an overall teaching experience of more than 7 years. He has published many research papers in International and National journals as well as in International and National conferences . His area of interest involves teaching subjects related to System programming and Computer Security.

Prof. Roshni Bhave
Asst Professor , GNIET , Nagpur

Prof. Roshni Bhave is Assistant Professor in Computer Science & Engineering Department at GNIET. She has done her B.E from Sant Gadge Baba Amravati University, Amravati. She has done her M.E from Abha Gaikwad-Patil College of Engineering & Technology ,Nagpur. Her research area is “Adhoc Network”. She has worked with reputed organizations and has an overall teaching experience of 5.8 years. She has published research papers in International and National journals as well as in International and National conferences. Her area of interest involves teaching subjects related to Languages (C,C++,Java,VB) and Design Patterns.

Prof Vijaya .D. Kamble
(Asst. Prof.)
Department of Computer
Science & Engineering, GNIET, Nagpur

Prof Vijaya Kamble is Assistant Professor in Department of Computer Science & Engineering ,GNIT. She did her M.Tech. from Rashtra Saint Tukdoji Maharaj Nagpur University, Nagpur. She has worked with many reputed organizations and has an overall teaching experience of more than 14 years. She is life member of ISTE,IIE,CSI. She has published many research papers in International and National journals as well as in International and National conferences. She has attended several international and national conferences. She had played a vital role in design of syllabus for computer science and application for Gondwana University,Gadchiroli.Her area of interest involves teaching subjects Datatware Housing & Data Mining,Operating System , Object Oriented Programing, Java Programing

Prof. Nayan B Shambharkar
Asst Professor ,
GNIET , Nagpur

Prof. Nayan Shambharkar is Assistant Professor in Computer Science & Engineering Department at GNIET. She has done her B.E from Rashtra Sant Tukdoji Maharaj Nagpur University, Nagpur and M.Tech from MIT Kothrud Pune, Pune University. She is Topper of Pune university in Post graduation in Digital systems stream. Her research areas are “Smart Antenna System” and “Digital Systems”. She has worked with reputed organizations and has an overall teaching experience of 6.8 years and industry experience of 1.5 years. She has published research papers in International and National journals as well as in International and National conferences. Her area of interest involves teaching subjects related to Digital circuits,Digital Electronics and fundamental of microprocessor and Advanced wireless sensor networks. Apart from this, She is associated with various organizations who help poor people for free education. She is no cost online tutor for extreme remote area students only. Also she runs an organization named B3O for upbringing of mute-deaf students which is zero profit organization. She is motivator for many students , under her guidance students are selected in various post graduation courses,many reputed industry like media,daily-news and some have their own Start-up company.

Prof Nikita Zambare
Asst Professor , GNIET , Nagpur

Prof. Nikita Zambare is Assistant Professor in Computer Science & Engineering Department at GNIET. She has done her B.E from Rashtra Sant Tukdoji Maharaj Nagpur University, Nagpur. She has done her M.Tech from G.H.Raisoni College of Engineering,Nagpur. Her research area is “Data Mining”. She has worked with reputed organizations and has an overall teaching experience of 4 years. She has published research papers in International and National journals as well as in International and National conferences. Her area of interest involves teaching subjects related to Languages(C,C++) and Operating System.

Prof. Ashwini Urade
Asst Professor , GNIET , Nagpur

Prof. Ashwini Urade is Assistant Professor in Computer Science & Engineering Department at GNIET. She has done her B.E in Computer Technology from Rashtra Sant Tukdoji Maharaj Nagpur University, Nagpur. She has done her M.Tech from VIT,Nagpur. Her research area is “Data Mining”. She has worked with reputed organization and has an overall teaching experience of 6 months. She has published research papers in International and National journals as well as in National conferences. Her area of interest involves teaching subjects related to Languages C and Operating System.

Prof. Purva Gogte
Asst Professor , GNIET , Nagpur

Prof. Purva Gogte is Assistant Professor in Computer Science & Engineering Department at GNIET. She has done her B.E in Computer Science and Engineering from Rashtra Sant Tukdoji Maharaj Nagpur University, Nagpur. She has done her M.Tech from G.H.Raisoni College of Engineering,Nagpur. Her research area is “Data Mining”. She has worked with reputed organization and has an overall teaching experience of 2.8 yrs. She has published research papers in International and National journals as well as in National conferences. Her area of interest involves teaching subjects related to DBMS,Mobile Computing and Operating System.

Prof. Minal Narad
Asst Professor , GNIET , Nagpur

Prof. Minal Narad is Assistant Professor in Computer Science & Engineering Department at GNIET. She has done her B.E in Information technology from Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur. She has done her M.E. from G. H. Raison College of Engineering, Nagpur. Her research area is “Wireless Sensor Network”. She has worked with reputed organization and has an overall teaching experience of 3 yrs. She has published research papers in International and National journals as well as in International conferences. Her area of interest involves teaching subjects related to Computer Network and Data Structure.

Prof. Manoj K. Vairalkar
Asst. Prof.
CSE, GNIET, Nagpur

Prof. Manoj K. Vairalkar is Assistant Professor in Computer Science and Engineering, GNIET. He did his M.Tech. in computer science and Engineering from Rashtrasant Tukdoji Maharaj Nagpur University. He has an overall teaching experience of more than 11 years. He has published research papers in International journals as well as in International and National conferences. He has attended several international and national conferences. His area of interest involves teaching subjects related to Computer Science, Research related to Image Processing, Artificial Intelligence. He invited as a guest lecturer at other institute. He is a life time member of ISTE.

Prof. Akhilesh N. Thool
Asst. Prof.
CSE, GNIET, Nagpur

Prof. Akhilesh N. Thool is Assistant Professor in Computer Science and Engineering at GNIET. He pursued his B.E. in Computer Engineering from Mumbai University and M.E. in Computer Engineering from Savitribai Phule Pune University (SPPU). His research area includes High Performance Computing. He has an overall teaching experience of more than 03 years. He has published research paper in International Journals as well as in National conference. He has attended several international and national conferences. His area of interest involves teaching subjects related to Computer Science, Research related to Networking, Data Structure.
